A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

A treasury of classic verse and short stories from one of Australia s most important and best loved writers, Henry Lawson. Includes The Loaded Dog , The Drover s Wife and Up the Country plus many more. Henry Lawson is one of Australia s most famous writers. He was born in 1867 in Grenfell in New South Wales and wrote many of his most important works about life in the Australian bush in the late-1800s. Known as the Poet of the People , Henry Lawson s writing captured the hardships and everyday lives of ordinary Australians in the time before Federation and after the gold rushes. Lawson s stories and poems are full of the drama and often absurd humour that characterised life in the Australian outback in the early years of our nation. This beautifull illustrated collection captures the essence of Henry Lawson s best loved stories and poems, while also introducing readers to some of his lesser known works.
