Those Who Choose to be Chosen offers thought-provoking, inspirational lessons that encourage anyone on a spiritual journey to focus on awakening their divine life mission. At a young age, Virginia Ashmore's practicing religion prohibited her from attending a friend's church. In her young mind, she reasoned that her friend, and the members of her friend's church, must have prayed to a different God than the God she worshipped. That significant impression launched Ms. Ashmore on a life-long pilgrimage in search of her own divine destiny. She points out that we are all made in the likeness of God and must carve out our individuality when contributing to the overall collective consciousness of the world. After years of study, her personal reflections have developed into lessons that will teach you how to: See yourself the way God sees you Open your heart and find the gift of love Discover who you were intended to be Use prayer to open the door to God's work Through Ms. Ashmore's teachings, you will learn that you are not alone. Open your eyes so you can truly experience all you are intended to see, feel, and love through the glory of God.
