JAETH S EYE

World Tree Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It has been years since his brother s accident. Kefier was only just beginning to live a normal life--at least, as normal as it could get for a mercenary from a run-down town. And then an errand goes wrong and he finds himself holding his friend s bloody corpse. Already once branded a murderer, he is pursued by men he once considered friends and stumbles into the midst of a war between two mages. One bears a name long forgotten in legend; the other is young, arrogant Ylir, who takes special interest in making sure Kefier is not killed by his associates. The apex of their rivalry: a terrible creature with one eye, cast from the womb of a witch, with powers so immense whoever possesses it holds the power to bring the continent to its knees. Now begins a tale with roots reaching beyond the end of another. Here, a father swears vengeance for his slain children; there, a peasant girl struggles to feed her family. A wayward prince finds his way home and a continent is about to be torn asunder. And Kefier is only beginning to understand how it all began the moment he stood on that cliff and watched his brother fall.
