Delivering on the Nation's Investment in Worker Safety and Health

By Department of Health and Human Services, Centers for Disease Control and Prevention, National Institute for Occupational Safety and Health

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.It has been nearly 40 years since the Occupational Safety and Health Act of 1970 was passed. During that time, NIOSH has worked diligently to ensure that U.S. workers are safe from occupational illness, injuries, and fatalities while at work. Our strong scientific foundation has guided our work as we strive to fulfill the responsibilities of the Act, and to carry out the duties entrusted to us by Congress. NIOSH's research and recommendations over the years have made a significant impact in reducing and preventing occupational injuries, illnesses, and fatalities. Our work has led to recommendations on reducing exposures to asbestos, lead, vinyl chloride, and other toxic industrial agents. As the U.S. economy has changed NIOSH has kept pace by addressing the new occupational hazards that have arisen or become more prominent, such as latex allergies, musculoskeletal disorders, indoor air quality, and workplace violence. And with the goal of achieving even greater impact with our research, NIOSH created the National Occupational Research Agenda (NORA) in 1996. The creation of NORA allowed us to expand our partnerships and...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
