

## It's OK to Tell: A Story of Hope and Recovery

Filesize: 8.49 MB

### ***Reviews***

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

Easton Studio Press. Hardback. Book Condition: new. BRAND NEW, It's OK to Tell: A Story of Hope and Recovery, Lauren Book, Lauren Book, now 25, was 11 years old when her new nanny, Waldina Flores, joined the family. For the next six years Lauren endured daily sexual and physical abuse. "I was a people pleaser," she says. "I was beaten every day. Waldy was very smart, like all predators are. She hit me and bruised me where my parents wouldn't look. When you are 13 and 14 parents never look at their children's stomachs or lower backs or butts or upper thighs." Lauren is the oldest of three children; her father, Ron Book, is a prominent Florida attorney and lobbyist. In 2002, after being encouraged by her boyfriend, Lauren confessed to her therapist, who in turn called her parents. Her father fired Flores. She fled to Oklahoma and was arrested one month later while coaching a 10-year-old girls' soccer team. While in prison, Flores wrote love letters to Lauren asking for money and ultimately was sentenced to another 10 years on top of the initial 15 years. Since then, Lauren and her father have successfully mounted a legislative onslaught against predators; the many laws they are responsible for include the right to get 48-hour access to predators' HIV test results, a ban on molesters from ever contacting their victims or families, passed legislation to create a statewide network of sexual assault treatment centers, and the controversial act that barred predators from living 2500 feet from public places where children gather such as schools, parks, and playgrounds. Lauren's memoir is a book about hope in the face of extreme adversity. While it deals with a tremendously sensitive and "dark" subject, the hope that it delivers to readers carries an everlasting positive impact....
