Excerpt: .that is, its tonic and stimulating action upon the nervous centres of the system, is due to the happy influence of kola against seasickness; it is strongly recommended by Hamilton who holds it as an excellent remedy against depression, vomiting, vertigo, which are the outcome of these maladies. Taken in moderate doses, it causes all the phenomena of this disagreeable condition to disappear. This property when clearly established, will prove its immense advantage to humanity. Diabetes. To the same physiological cause is due the favorable and often curative effect of kola in diabetes. Kola in the treatment of this disease has given better results than any other caffeic, and I should infer that this effect of kola is greater because of the production of nascent caffeine. That kola is of great value in the treatment of this disease is clearly demonstrated. 1 It will...
