Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This essay will begin where we, humankind, have lead ourselves as we attempted to slash our way through the jungle of life s seemingly endless paradoxes. These paradoxes, which life has persistently thrown across our path, are signposts for us. They are indicators that we do not have all the answers. They warn us to beware. They warn us there is something wrong with our perception of life; there is something wrong with our thinking. They have a function of their own, they direct us towards a state of understanding where we are, what we are, and why it is we exist. In this essay, we will be attempting to understand the likes of Russell, Wittgenstein, Frege, Plotinus, and back again to Russell as we attempt to move past parts of Heidegger. Our objective will be to step back in time in order to get back to today. What is the point of going to all this trouble just to get back to where we started? The point is to bring back with us a new perception regarding a simpler solution to Russell s paradox. Why is this important? Presently we have a solution to Russell s paradox, which involves a complex understanding of separation through exclusionism , which in turn represents what we do to people in society. We separate individuals and groups from our own groups and ourselves. Once having separated them from ourselves we exclude them from ourselves through a process of rejection, exclusionism, and separation. It is Russell s paradox, which provides the key to rectifying these constant actions of rejection. For this reason we will accompany Russell as he travels eighteen hundred years...
