By C a Laforet

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Book of poetry and short stories. The poetry covers a wide variety of topics: life, death, love, homelessness, music, politics, religion, etc. A short sample is given below: The rain drop and the ocean are one and the same. The inevitable splash is not the destruction of a drop, or the distortion of an ocean, but the end of a false distinction born of the misunderstood spaces between. As you close your eyes for the last time, lighten yourself of regrets, good-byes, and concern, And take comfort in the fact that the very idea of home wrongly assumes that there has ever been any other place.
