Wipf Stock Publishers, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you've ever been uncomfortable or confused by the conventional wisdom of traditional religious beliefs, read this book. In *Of Tribes and Tribulations*, Rabbi Roseman addresses twelve of the most common issues raised by religious seekers. Using his own search for clarity, he leads the reader through a mature thought process that can help seekers move toward answers to their spiritual questions, or in his words, tribulations. *Of Tribes and Tribulations* is Kenneth D. Roseman's capstone work reflecting a fifty-year career as college dean, congregational rabbi, scholar, and writer. With an introduction that reveals a remarkable childhood and education, its twelve chapters are filled with honesty, humor, humanity, and wisdom. The author grapples with every major Jewish religious and historical issue from the changing perspectives of a rabbi, shaped by but transcending his Classical Reform upbringing. Each page reflects Roseman's religious humanism, his thoughtful spiritual curiosity, and his constant quest to understand the covenant between God and the Jewish people. --Lewis M. Barth, former Dean, Hebrew Union College-Jewish Institute of Religion, Los Angeles, CA In these delightful essays, Ken Roseman takes us on a personal and intellectual journey through the most vexing questions of our time. Part apologetic, part memoir, part call to action, *Of Tribes and Tribulations* is filled with wisdom, honesty, and tenderness. It is a thoughtful, moving exploration of the meaning and value of Jewishness in the 21st century. --Peter N. Moore, Associate Professor of History, Texas AM University-Corpus Christi, Corpus Christi, TX Rabbi Kenneth D. Roseman, PhD, has retired after fifty-three years of congregational and academic rabbinical service in the cities of Cincinnati, New York, Madison, Dallas, and...
