As creatives in a crowded world, we can no longer sit in our rooms, creating alone, if we want a viable income. Increasingly, we have to be out there in the world, sharing our knowledge and being visible in order to have a successful career. Top 5 Bestseller in Public Speaking, Business Life and Business Communications categories Public speaking can be an extra income stream, or can form an integral part of your marketing. Its also a good idea to plan for success and authors/creatives often have to speak when they become well-known, so its best to start practicing earlier. This book is a starter pack and an easy reference guide with the information that you need the most to speak confidently and professionally in public. And, although some chapters have specific tips for introverts, much of this information will be useful for anyone who is interested in public speaking, regardless of their personality type. In this book, Ill share everything that I know as a professional speaker and introverted author-entrepreneur. It contains lots of tips about public speaking in general, based on my own experience over the last five years. In addition, I cover some specific points that creative introverts need to consider as speakers. You can read this book from start to finish, but you can also dip in and out, as each chapter contains succinct tips that youll need at different times on your journey. Part 1 goes into the practicalities of speaking: types of speaking, preparation, your actual talk, and what happens afterwards. Part 2 is about some of the psychological aspects of speaking: your mindset, authenticity, confidence, and tackling the inevitable anxiety, which...
