BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Walking with Gospel Women: Interactive Bible Meditations, Fiona Stratta, Imaginative meditation can be a powerful way of attuning ourselves to God's presence, involving as it does the emotions as well as the mind. This book offers a refreshing and inspiring way into Bible study, using meditative monologues based around many of the women of the gospels. Through a time of guided reflection, we identify with the woman concerned and see what lessons emerge for today as we ponder her story. Each chapter consists of a monologue, linked Bible passage and discussion material designed to draw out deep communication and group fellowship, as well as transformational learning. While designed primarily for small groups meeting to grow their relationships with God and with each other, the monologues can also be used as a way into silent reflection either for individuals or with larger groups (for example, the monologues could be adapted to use in Sunday worship - for intercession, a time of reflection or as part of a sermon).
