Not illustrated. 1814 Excerpt: .collection from various foreign books of the same nature, rather than a translation from any particular one. It is upon the whole inferior to Berthelet s collection, but fortunately less exceptionable upon the score of decency; there are two or three laughable stories which have very much an air of originality; the principal source of amusement, however, is the naivete with which they are related. Many of the stories might be traced to their sources; the second in particular may be mentioned as existing in the Decameron of Boccaccio, in which it is the seventh novel of the seventh day. We have also recently found it in a curious MS. treatise-on the Art of speaking French, written in the reign of Henry the Sixth, which shows the early Ici comence nn tretis de douls francis qu enformera aussi ban les petiz comme les granz a parler bien et parfaitement beau franceis selon l usage et lamauniere de paris et aurlians. T have thought the story from the MS. worth printing: it is subjoined to this advertisement. part of the collection of Capt. Cox, the mason of Coventry. The punctuation and orthography, singular and capricious as it is, has been scrupulously followed; a few of the most uncommon words have been noted, and explanations annexed to them, are given in the next page. Nor apology can be necessary for renewing this curious specimen of one of the most popular books of amusement of our ancestors; no moral...
