Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.PEAK PERFORMANCE is specially packaged as a Seminar Material for the Exam Success Orientation Campaign. It is a response to the heart-cry of members of our societies regarding the abysmal poor performance of the various categories of students in their examinations across the various academic institutions and examining bodies. Inability of students to adequately prepare for their examinations is what has birthed the hydra-headed monster, called examination malpractice, that has become the bane of our once progressive society. Today, many of our students who would have become valuable assets to our societies have embraced the negative spirit which makes them see themselves as never-do-well. This package and the campaign should be seen as my modest contribution to the task of rescuing our ailing society from total collapse and re-building and restoring it to the enviable society that it should be. For the various reasons aforementioned, the pocket book, which I self-published locally earlier, has been revised to include a look...
