Remember that this is YOUR garden and you can choose to plant whatever it is you want to see flourish in your garden of your life. With the intention that one day you also will inspire someone else to plant a seed that will grow into something beautiful also. Take every experience you encounter, either good or bad and turn it over, work with it until you obtain your own life lesson from that experience and then pass it along, spreading the peace and lessons abroad to all willing people that feel they don't have what it takes to make it. Encourage yourself first, and then go forward and encourage others they can make a real difference, just one seed at a time.
