*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Pen & Sword Books Ltd. Hardback. Book Condition: new. BRAND NEW, Me and My MG: Stories from MG Owners Around the World, Gordon Thorburn, Read about the Berkshire restorer who saw a heap of old iron in the bushes and realised it used to be a 1926 bullnose Super Sports, and the seven year old boy in Norfolk, Virginia, who read a book called The Red Car and knew that, one day, he would have to have a TC, and the Dutch boy who saw an MGB on his way to school and knew something similar. There's the French boy aged nine whose nanan gave him a model kit to assemble, and the USAF fighter pilot who saw his first MG in Britain during the war and was in love for ever. A Canadian took 32 years to restore his TA, while a Swiss professor installed space-ship electronics in his TD. An aeronautical engineer was left some money and bought a 1929 18/80 Tourer that he thought had been restored. An Australian 17-year old happened across a second-hand MGB, was done for speeding and lived happily ever after. A Swedish boy walked out one Sunday morning into the middle of an MG rally. Each of these, and many more, has a story. All the stories are different, but the story tellers have something in common. They would all rather love - and sometimes despair of - a wonderful vehicle with faults in its character, than have no feelings about one that has no character at all.
