Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The School Four The School Four is a story of football and rowing, its scene laid in a private school in an Eastern city. As in the Phillips Exeter books, the aim has been to keep the athletics practical and technically correct, and at the same time to present such conceptions of life and conduct as may encourage the boy reader to face his own school problems with the right spirit. Later volumes will treat successively of the city high school and the country boarding-school. To Mr. John Richardson, Jr., captain of the undefeated Harvard crew of 1908. the author owes a special debt for expert counsel, for the freedom of the Harvard coaching launch, and, above all else, for personal inspiration.
