If you are a person with a disability or know of someone who is, this book will help one cope and succeed by using positive thinking. The author, Barbara Jean Young, has over thirty-four years of experience in various areas of disabilities. As a special education teacher, a retardation specialist, a parent advisor to deaf, blind, and babies and preschoolers with multiple disabilities, and a sign language instructor, Mrs. Young has worked with people of all ages, from infants to adults, having a variety of disabilities. In this book, she tells personal stories of how she was able to help each individual live a more successful and meaningful life. Ironically, in mid-life, Mrs. Young suddenly suffered several disabilities herself resulting from a serious automobile crash involving a drunk driver. In a twist of fate, Mrs. Young had more severe disabilities than most of the people she was helping. Through this experience, she is able to provide the reader with a special insight into what it is like having a disability, and how to cope. Through her experiences, Mrs. Young explains in her book how to assist people who have disabilities and help them attain a more positive attitude. This book also has a special section after each chapter listing references that can be used to seek help for people who want to learn more about disabilities. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
