If everything you held dear were trampled to ashes, would you find the strength to fight In the dark woods of ancient Scandinavia, an extraordinary woman is creating foundations for her life. All this is threatened to be burned in flames of chaos, as men as well as spirits put their powers against her happiness. She is to become Fargoer, one who wanders across the known world for her destiny. Among her assets is a will of iron that is not ready to settle for something not of her own doing. Fargoer begins a fantasy tale set against a backdrop of the Viking Age. It will take the reader deep into the forests of the north, among the people of Kainu both unique and ancient in their ways. Viking warriors prowl the waterways and riches of the far south are in the reach of the powerful. Yet, powers both supernatural and natural are in constant motion to set things as they see fit. If you like fast-paced fantasy novels or viking mythology sagas, you will enjoy reading Fargoer. The book has often been compared to the works of Robert E. Howard and Jean M. Auel, among others. Authors excerpt from the novel: She snapped awake to gentle shakes from Ulva. Even though the spring was on its way the nights were still long. The dark hours after midnight were at hand and the firewood was about to run out. In order to save the little they had left, they let the campfire burn down to embers and kept their eyes focused to the dark forest. There was movement to be seen now and then, on the edge of...
