## RED-TAILS IN LOVE

Alfred A. Knopf, United States, 1999. Paperback. Book Condition: New. Reissue. 203 x 130 mm. Language: English . Brand New Book. Marie Winn is our guide into a secret world, a true wilderness in the heart of a city. The scene is New York s Central Park, but the rich natural history that emerges here--the loons, raccoons, woodpeckers, owls, and hundreds of visiting songbirds--will appeal to wildlife lovers everywhere. At its heart is the saga of the Fifth Avenue hawks, which begins as a love story and develops into a full-fledged mystery. At the outset of our journey we meet the Regulars, a small band of nature lovers who devote themselves to the park and its wildlife. As they watch Pale Male, a remarkable young red-tailed hawk, woo and win his first mate, they are soon transformed into addicted hawk-watchers. From a bench at the park s model-boat pond they observe the hawks building a nest in an astonishing spot--a high ledge of a Fifth Avenue building three floors above Mary Tyler Moore s apartment and across the street from Woody Allen s. The drama of the Fifth Avenue hawks--hunting, courting, mating, and striving against great odds to raise a family in their unprecedented nest site--is alternately hilarious and heartbreaking. Red-Tails in Love will delight and inspire readers for years to come.
