

Buy-In: Saving Your Good Idea from Getting Shot Down

By John P Kotter, Lorne A Whitehead

Brilliance Corporation, United States, 2013. CD-Audio. Book Condition: New. Unabridged. 178 x 130 mm. Language: English . Brand New. You believe in a good idea. You know it could make a crucial difference for you, your organization, your community. You present it, hoping for enthusiastic support. Instead, you get confounding questions, inane comments, and verbal bullets. Before you know what's hit you, your idea is dead, shot down. It doesn't have to be this way, say John Kotter and Lorne Whitehead. In Buy-In, they reveal how to protect good ideas and win the support needed to deliver valuable results. The key? Understand the unfair attack strategies that naysayers, nitpickers, and handwringers deploy with great success time and time again: * Death by delay: Endlessly putting off or diverting discussion of your idea until all momentum is lost * Confusion: Presenting so much distracting information that confidence in your proposal dies * Fear mongering: Stirring up irrational anxieties about your idea * Character assassination: Undermining your reputation and credibility Through the device of a fresh and amusing fictional narrative, the authors vividly show how avoiding or attempting to quash attackers doesn't work. According to their counterintuitive approach, it...
