Enclosure I: Elements of the Database Used in Our Analysis and Methods Used to Address Our Research Objectives 3 administered the 1997 wave of the survey. We identified agencies in the Policing Strategies Survey that responded to both waves of the survey, and of these, we were able to link the data from 1, 035 agencies to our larger 4 database on crime, officers, money, and economic conditions. We used the Policing Strategies Survey data to compare reported changes in the types and levels of policing practices that occurred during the COPS program with pre-COPS levels of practices. The second survey, which we termed the National Evaluation of COPS Survey, was conducted by the National Opinion Research Center for the Urban Institute in its national evaluation of the implementation of the 5 COPS program. We used the two waves of the survey from 1996 and 2000, and we were able to link the data from 1, 001 agencies that responded...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
