CARING FOR AN ELDERLY PERSON AT HOME

New Generation Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you caring for, or intending to care, for an elderly friend or relative and would like to make their life at home a viable and worthwhile alternative to residential care? Perhaps the prospect of caring seems overwhelming and you feel the need for some emotional or physical support. Then this book has been written for you. My book is not aimed at care workers who are trained to care, but at unpaid carers who are caring out of a sense of compassion, family loyalty or out of love. Caring For An Elderly Person At Home is not a textbook, but a friendly guide based on my own experiences of caring for elderly people in their own homes. I hope it will help with advice on the day-to-day tasks of caring and coping with important issues, such as failing health, poor mobility and financial matters. You will also find advice on how to obtain professional help when necessary.
