

The Naturally Bug-Free Garden: Controlling Pest Insects Without Chemicals

By Anna Hess

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, The Naturally Bug-Free Garden: Controlling Pest Insects Without Chemicals, Anna Hess, Are you sick and tired of pesky insects in your garden? Do you want to stay away from pesticides and harmful poisons that could be hazardous to your health and your garden? If you answered yes to both of those questions, The Naturally Bug-Free Garden has all the answers to your troubles. This book will show you how to bring your garden ecosystem into balance so that beneficial insects and larger animals do the work of pest control for you. Anna Hess has had seven years of experience growing all of her family's vegetables. Here, she sums up all of her knowledge and expertise, teaching you many hands-on pest-control techniques, such as succession planting, choosing resistant plant varieties, and shielding plants with row covers. Paying attention to the nutritional needs of your vegetables can also deter pests, and the remaining insects are simple to handpick. With Anna's expertise, you too can grow beautiful, healthy, organic vegetables for you and your family.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
