

Richer Descriptions: A Guide to the Human Senses for Christian Speakers and Writers

By Gary A. Burlingame

Healthy Life Press. Paperback. Book Condition: New. Paperback. 244 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. This book is a unique manual that explores all nine human senses in seven chapters for use by Christian speakers and writers. Applications are encouraged by exercises, a speakers checklist, writing samples, and a writers guide. Bible references encourage a deeper appreciation of being created by God for a sensory experience. The common senses of smell, taste, touch, sight, and hearing are covered as well as thermoception, nociception, equilibrioception, and the kinesthetic sense. With two degrees in environmental science, Gary A. Burlingame has researched and lectured internationally on the application of the human senses to make observations of man made and natural environments. Scientists continue to unlock the mysteries of the human senses because they know how vital our senses are to a healthy and enjoyable life. After presenting this information to a writers group, he was encouraged to develop a manual because there was nothing like it on the market. Thus, this books purpose is to draw on the latest scientific knowledge while reflecting back on what God has revealed in the Bible to better equip speakers so they can more deeply engage their...
