THE NIGHT OF THE WOLF: COLLECTION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Paul Halter, whose *The Crimson Fog* was named 2 in Publishers Weekly's Top Mysteries of 2013 presents ten superb tales of locked rooms and impossible crimes. Coffins dancing in a hermetically sealed crypt; a tunnel that murders people; a werewolf killer who leaves no trace on the snow; a victim killed by an invisible hand at the top of a guarded tower; a homicidal snowman that kills in front of witnesses. . . there cannot be a rational explanation for these and other hideous crimes; and yet there is. Each story is a glittering example of the brilliant plotting and atmosphere of foreboding that characterized the Golden Age of detective fiction, of which Paul Halter is the current master. This is a republication of the original *The Night of the Wolf*, which garnered critical acclaim when it first came out in 2006: Publishers Weekly (starred review): Most of the 10 outstanding stories in this collection from French author Halter, the first English-language edition of his work, center on an impossible crime, a still potent subgenre that was once a fixture of last century's golden age of detective fiction. *Mystery Scene*: This is the most important collection of locked room stories in years, and fans of brilliant puzzles. will love it. *Ellery Queen Mystery Magazine*: For the devotee of locked rooms, impossible crimes, and other features of classical detective fiction, reading these stories is like discovering a hitherto unknown cache of tales by G. K. Chesterton or John Dickson Carr. Ed Hoch, himself a prolific contributor to EQMM: As Paul Halter's stories begin reaching American readers in EQMM and elsewhere, I think they'll discover a combination of baffling mystery...
