By the author of breakout WW II era alternate history *Himmlers War*, another compelling alternate history thriller. With an American loss at the Battle of Midway, Japan runs rampant in the Pacific. It is the summer of 1942 and what our historians have called the Incredible Victory in the Battle of Midway has become a horrendous disaster in this world. Two of Americas handful of carriers in the Pacific have blundered into a Japanese submarine picket line and have been sunk, while a third is destroyed the next day. Limited counterattacks are made and a grand plan is put forth to lure the Japanese into an ambush that could restore the balance in the Pacific and give the forces of freedom a fighting chance once more.
