Policy Press. Paperback. Book Condition: new. BRAND NEW, Health, Well-Being and Older People, Jan Reed, David Stanley, Charlotte Clarke, With moves towards greater integration of health and social care services, there is a need for improved understanding of the importance and benefits of a person-centred, holistic approach to work in these fields. This accessible text, the product of a collaborative venture between older people's groups and academics, provides students, academics and practitioners across a wide range of health and social care professions with a guide to understanding the value of this approach. Health, well-being and older people: provides an overview of relevant research and service development literature; presents and discusses a range of issues that are important to the health of older people including attitudes and ageism, the body, the environment, family and community, sexuality and having fun; draws on material developed and, in some cases, written by older people themselves; integrates theory and empirical evidence with practice experience; offers models of best practice. Designed with the needs of students in mind, each chapter has helpful aids to understanding including: key learning points; models for case studies; summaries and exercises; glossaries and recommended texts. Throughout, readers are encouraged to think through the implications of the material in respect of their own service settings. Health, well-being and older people is essential reading for students and staff on qualifying and post-qualifying programmes in nursing, social work, social care, social policy, gerontology and related courses. It is also recommended reading for practitioners who will want to engage with the ideas for best practice presented in the book.
