Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Short Description (2,000 characters, including spaces) Dr. Jerry Cook spent fifty years as a pastor, teaching and writing about the presence of the Holy Spirit and of Christ in everyday life-including speaking in tongues. But in a conversation with a young pastor he realized the need to explain this topic in a practical, accessible way for those who may have only been exposed to it through shocking manifestations of fanaticism. In this conversation, the young pastor wondered what the big deal was, and when Cook got over his anger at this dismissive assessment, he tackled the concept head-on. Cook first asserts that It is possible to be a sane, intellectually honest, biblical, and dynamic Christian who is filled with the Holy Spirit, speaks in tongues, and effectually ministers the full life of Christ. He does not shy away from his own doubts and struggles in the church and his personal faith, striving not to create an academic, theoretical work but to ask the right questions and provide genuine, compassionate advice. Here, find practical, Biblical answers to the questions of the young pastor and of other Christians who have struggled with this concept. Examine six significant events, from the in-breaking of God through the birth, death, resurrection, and ascension of Jesus, ending with the day of Pentecost. Follow the radical relocation of God from out there to with us to in us, and visualize the remarkable implications of this radical move to the Christian s everyday life. Examine the church and the manifestation of Christ in its structure, power, and gathering. Do not wonder what Jesus would do, but ask the radical question of who he would be. What...
