Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 74 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Contained within is a collection of poetry about anything from animals such as monkeys to machinery from robots to cars for every age to enjoy along with several short stories. The stories are as versatile as the poetry ranging in subject. The stories start with an never aging elf who watches over two boys, then on to a knight in shining armor from New York who battles a red dragon, and next a mundane activity proves to be difficult. More stories include a perilous journey across a mysterious black desert and finally ending with a story of a young girl and a special mustang stallion. Topping it all off is a number of detailed black and white illustrations. This item ships from La Vergne, TN. Paperback.
