Summary: Into the Heart of Meetings defines meetings as a form of communication. It describes the characteristic processes of meetings and how to influence them through Meeting Design. Based on many years of working together as professional Meeting Designers, the authors provide an array of tools that enable meeting organisers to obtain the best outcomes from their meetings as measured by their business value. They introduce the principles underlying Meeting Design, as well as the main practical issues that Meeting Designers face and need to solve. The authors use countless examples, connecting their writing to daily working practice. Thus Into the Heart of Meetings is an explorative study, a textbook and a practical guide in one. Meeting Design provides that new paradigm and the authors discuss all the basic knowledge a Meeting Designer needs to possess. Hence the...
