Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

His rigid sentences are arguably more telling of his condition than if he had created the most graceful prose this side of Proust." -- Chicago Sun-Times " Look Me in the Eye is a fantastic read that takes readers into the mind of an Aspergian both through its plot and through the calm, logical style in which Robison writes. . . Even if you have no personal connections with Asperger" s, you'll find that Robison--like his brother, Burroughs--has a life worth reading about." -- Daily Camera "Not only does Robison share with his famous brother, Augusten Burroughs (Running With Scissors), a talent for writing; he also has that same deadpan, biting humor that's so irresistible." --ELLE magazine "Dramatic and revealing.There's an endearing quality to Robison and his story that transcends the "Scissors" connection . Look Me in the Eye is often drolly...
