

## Exodus and Numbers: The Exodus from Egypt

By John MacArthur

Thomas Nelson Publishers. Paperback. Book Condition: new. BRAND NEW, Exodus and Numbers: The Exodus from Egypt, John MacArthur, Although the descendants of Jacob moved to Egypt as honored guests, in time they became despised slaves groaning under the mistreatment of Pharaoh. In response to the people's cries, God called a man named Moses to lead the Israelites out of Egypt into Canaan, but their journey took a dramatic forty-year detour when they failed to trust in God. In this study, John MacArthur guides readers through an in-depth look at the historical period beginning with God's calling of Moses, continuing through the giving of the Ten Commandments, and concluding with the Israelites' preparations to enter the Promised Land. This study includes close-up examinations of Aaron, Caleb, Joshua, Balaam and Balak, as well as careful considerations of doctrinal themes such as "Complaints and Rebellion" and "Following God's Law." The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

### Reviews

*An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
