Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jodie Wehner)

Baen Books. Paperback. Book Condition: new. BRAND NEW, Captain Vorpatril's Alliance, Lois McMaster Bujold, A new installment in the award-winning Vorkosigan science fiction adventure series! Captain Ivan Vorpatril sometimes thinks that if not for his family, he might have no troubles at all. But he has the dubious fortune of the hyperactive Miles Vorkosigan as a cousin, which has too-often led to his getting dragged into one of Miles' schemes, with risk to life and limb - and military career - that Ivan doesn't consider entirely fair. Although much practice has made Ivan more adept at fending off his mother's less-than-subtle reminders that he should be getting married and continuing the Vorpatril lineage. Fortunately, his current duty is on the planet Komarr as staff officer to Admiral Desplains, far from both his cousin and his mother back on their homeworld of Barrayar. It's an easy assignment and nobody is shooting at him. What could go wrong?.
